These expenses include social activities and program materials that increase the value and quality of our program. In the past club dues have paid for radios, the television, a ski bench to take to races, ImpACT Testing and race hill homologation.

Membership Types:

MRSC offers two types of memberships: social and family. All athletes and families participating in the Race Program are required to have a family membership. *Social Memberships* are available to athlete and parent alums and other supporters of the MRSC program.
